

Hayle Academy

23 June 2020

Dear Parent/Carer

We would like to inform you of an exciting course being offered to Year 9 students during this period of remote learning.

From Monday July 13th - 16th (9:30 – 12:30 daily) students are being given the opportunity to work with **Articulacy** and **Next Steps South West** to increase their confidence when communicating online. **Articulacy** has been working with students across the country to develop effective communication skills and further information about their work can be found at <https://www.articulacy.co.uk/about-us/>. Many of our former Y9 and Y11 students have benefitted from their in-house workshops and this course enables students to continue to do so from home and gain a recognised qualification.

Places on the course are limited and students need to register their interest online by the 3rd July. Further information can be found on the attached documents. If students successfully gain a place on the course, we would not expect them to complete their regular scheduled work commitment for the four days they are taking part and should let us know.

If you have any questions about this, please do not hesitate to contact me.

Many thanks for your continued support.

Kind regards

Rebecca Wilson
