

05 February 2021

Dear Parent / Carer

Assessment timetable for w/c 8th February

Following the letter sent last Tuesday by Mrs Lock, I wish to update you on further details regarding our upcoming assessment period.

As you are aware, our assessment period spans two school weeks: Monday 8th February until Friday 26th February. Half term sits in the middle of this.

The timetable of assessments that your child will sit over the next week are outlined in the table below.

Your child will complete an assessment in most subjects and this is to assess their progress against our planned curriculum. Due to our remote learning provision, our subject leads have been working hard to adapt the assessment to suit our remote platforms.

Revision sessions have been taking place in lessons and will continue to do so throughout this period. Please ensure that your child attends every lesson so that they don't miss out.

The assessments that your child will sit week commencing Monday 8th February are:

Year 11

w/c 8th Feb	Monday	Tuesday	Wednesday	Thursday	Friday
1					Science
2	Maths				
3	Music				
4					

NB: For many of our Btec and practical subjects, students are currently working on coursework and therefore there will be no assessment, this work however, will be used to inform predicted grades.

A timetable for the assessments commencing in the week of the Monday 22nd February will follow shortly.

The assessment information will be shared with parents in the Spring term reports to help give an overview of your child's progress. We are still awaiting further details from the Government and Ofqual around how Year 11 will be graded this year, but will get this information to you as soon as we have it.

Yours faithfully

Kate Jones

Associate Assistant Head.
