

Dear Parent/Carer

**Hayle School Information Event for Year 11 on the 15th October 2020, 5.30 – 7pm
Held at Cornwall College Camborne**

We are writing to you to let you know about a great learning opportunity for your daughter/son.

Every year we offer students studying GCSEs in Cornwall schools the chance to be a college student for a day in the summer term of Year 10. Unfortunately we were unable to run this event for Hayle School last July due to Covid-19. Therefore, we would like to offer a bespoke Information Event for these learners now in Year 11.

With so many opportunities available to students at 16, it is important that they have the opportunity to explore all of their opportunities so they can make a meaningful choice for their future.

Our Colleges, which include Duchy College, Cornwall College and Falmouth Marine School run a vast choice of specialist further education and training in vocational courses, appealing to all interests. Students can undertake an apprenticeship or entry-level awards, certificates and diplomas from Levels 1 to 3. Level 3 extended diplomas are the equivalent to A-levels and suitable for progression to university.

Interested in courses at Duchy College, Cornwall College Newquay or Falmouth Marine School? Then please book onto one of their events: <https://www.cornwall.ac.uk/events-and-tasters/>

Preparing for the Information Event:

In preparation for the event your son/daughter can explore their post 16 options on our Virtual Open day website: www.virtual.cornwall.ac.uk you can also order a prospectus that will be posted direct to your home: www.cornwall.ac.uk/order-a-prospectus/
