

Truro and Penwith Academy Trust, Governors and staff at Hayle Academy wish to congratulate all of our Year 11 students on their GCSE results. Despite the unprecedented challenges that our community has faced over the last five months and a results day like no other, our Year 11 students have demonstrated outstanding personal qualities: showing resilience, courage and a determination to succeed. The achievements of our Class of 2020 reflect the hard work and commitment of our students and dedicated staff team.

We would like to thank our staff, parents and the community for all they have done to support students and for their staunch support for, and partnership with, the school.

We are extremely proud of all of our students and their achievements; we wish them every success in their Post-16 education and in the future.
