Dear Parent/Guardian,

A local charity BFAdventure has exciting opportunities available to students through the National Citizen Service (NCS) during summer 2020.

NCS delivered by BF Adventure in west Cornwall is a once-in-a-lifetime experience for 15 – 17 year olds and builds skills, confidence and helps them to prepare for university, work and life.

NCS is a unique 4 week experience during the summer holidays so they won't miss any school. Teenagers can live away from home during the first two weeks, develop key life skills like budgeting, boost their CV, craft a top-notch personal statement and so much more – all alongside meeting other teens from different backgrounds. There's also the chance to give back to the community, with 30 hours dedicated to social action projects.

PHASE 1: BE EPIC- A fun action packed residential week at an adventure centre with instructor led activities designed to build: teamwork, leadership, communication, resilience and friendships!

PHASE 2: LIVE LIFE- A second residential week, this time at university! While living at university: gain new skills, live in their own flat, cooking with their team, learn to budget, build their CV with a crash course in adulting.

PHASE 3: DO GOOD- During 2 weeks in a local community find out personal and team passions, discover issues in your community and use your voice, skills and talents to plan and deliver a social action project.

PHASE 4: GO PARTY- On completing the 4 week program in summer, celebrate the young person's success at a graduation event! The young person then has access to further opportunities as a graduate of NCS!
