

Hayle Academy

21st December 2020

Dear Parents and Carers,

Following on from our recent communication, in line with government instructions Hayle Academy will only be open for on-site learning to those students in Year 11 during the first week of term (Tues 5th-Fri 8th January). Limited on site provision is also available for children of critical workers where other childcare arrangements cannot be made. Critical workers are those who work in social and health care, in education, and emergency services, other areas of employment may be considered critical. Children using this provision will be allocated to an on-site bubble and will be supervised while accessing their remote learning on-site.

In addition, parents and carers of those students who have an Education, Health and Care Plan, and those with social care involvement will be contacted on Monday 4th January to arrange on site provision.

Please note that school transport will continue to run as normal for the week.

To request a place in our critical worker provision, please complete this form (once per child) by clicking the link below.
