

Hayle Academy

Dear Parents/Carers

Following on from our recent communication, I am delighted to share with you the full details of our reopening plan for September 2020. The closure of schools in March seems such a long time ago and we are very much looking forward to welcoming students back into school in September.

You may well be aware that September will also mark the start of my time at Hayle Academy as Head of School; I am delighted to be taking up this post and look forward to working with you, alongside all staff at Hayle Academy, in supporting your child's successful journey through their secondary education.

In the interests of openness and transparency, we have included our risk assessment and the steps we are taking to make the return to school a safe one, and also the steps we will take should there be a suspected or confirmed case of Covid-19 within our setting. You will appreciate that both of these documents have been written in to mirror latest guidance provided by the government and Public Health England; please be reassured that we will continue to update these in line with any changes to the guidance, and will continue to keep you informed.

Also included is a student handbook where we have summarised the key messages for students in the form of 'FAQs'. Please take time to review this with your child and let us know if any of the information is not clear.

As highlighted previously, should you have any questions regarding our plans or their impact on your child, please do not hesitate to get in contact with the key members of staff detailed below:

- For students in Years 7 and 8, Mr Wyatt on clive.wyatt@hayleacademy.net; for students in Years 9, 10 and 11, Mrs Parker on emma.parker@hayleacademy.net.
- Students with special educational needs, including those with an EHCP, will have individual support plans as required and managed by our SENDCo, Mr Woodward. Parents whose children have SEND can contact Mr Woodward for advice or support on james.woodward@hayleacademy.net

As the end of term approaches, I would like to take the opportunity to warmly wish all students along with their families, a happy and safe summer break. We will be delighted to see you in September.

Yours faithfully

Simon Horner
Head of School
