

Hayle Academy

15 January 2020

Dear parent/guardian

From this week any Year 11 student who wants to stay after school to revise is very welcome to use the study hall we are setting up in the Learning Zone. This will be open after school every day from 3.15 to 4.15 with two members of staff on hand to supervise and provide support.

Your child does not need to book a place on this. However, should they attend they will be expected to stay for the full hour, this is so that parents and the school know exactly where the child is during this time. If we need to ask a student to leave mid-way through, parents will be contacted so that they know their child is no longer in the study hall.

We do hope that students will find this useful; if you think it will suit your child's needs please do encourage them to go along.

If you have any other ideas or queries about how we can support students in the run-up to their exams, please do let us know.

Yours sincerely

D Mather
Head of School
