

Hayle Academy

8th April 2020

Dear Parent / Guardian

The Department for Education's free school meals voucher programme has already delivered over 300,000 vouchers to eligible families since its launch last week. That said, there has been unprecedented demand and order volumes and our order is still in the queue waiting to be fulfilled. We appreciate the importance of distribution these vouchers and appreciate your patience due to the delay which is outside our control. We will notify you as soon as we receive confirmation the order has been fulfilled.

Yours sincerely

*Kathy Halsey
