

Hayle Academy

16 March 2020

Dear parent/carer

I am pleased that the school is fully open and we have excellent levels of staffing at this current time running. However, a small number of students are unable to attend because of the coronavirus situation. Parents have asked what work their child can do whilst off school. From tomorrow teachers, as well as setting the usual homework on Show My Homework will be adding further work labelled as **ADDITIONAL WORK** that students can work on at home. Where staff has PowerPoints they are going through in lessons, these will also be published. We will update what we provide here as we learn more about the national situation.

Having access to Show My Homework is likely to be very important over the next few weeks so if you have any concerns here, please contact your child's tutor.

Thank you for your continued help and support at this difficult time.

Yours sincerely

D. Mather
Head of School
