

Term	Autumn 1
Topics Covered	Fieldwork
Expectations Challenge and Support	<p><u>Expectations</u></p> <ul style="list-style-type: none"> • Suitable question for geographical enquiry • Selecting, measuring & recording data appropriate to the chosen enquiries • Selecting appropriate ways of processing & presenting fieldwork data • Describing, analysing and explaining fieldwork data • Reaching conclusions • Evaluation of geographical enquiry. <p><u>Challenge</u></p> <ul style="list-style-type: none"> • Evaluative throughout every element of fieldwork <p><u>Support</u></p> <ul style="list-style-type: none"> • Focus on key information, reducing quantity of knowledge. <p>Refer to success criteria on topic trackers for detailed expectations/challenge/support for each lesson.</p>
Assessment opportunities	<p>One STAR sheet for an extended piece of writing. This will start with the command word “explain”.</p> <p>(Note: Y11 contains 2 formal PPE examinations in geography)</p>
Homework	<p>Homework is once every 6 lessons in geography in year 11. This equates to once every 2 weeks. Homework tasks are recorded on Show My Homework and can be a range of tasks, from quizzes to research and more extended writing.</p>
Vocabulary	<p>Primary and secondary data Systematic, random and stratified sampling Proportional shapes Regeneration Longshore drift</p>

Term	Autumn 2
Topics Covered	Rivers
Expectations Challenge and Support	<p><u>Expectations</u></p> <ul style="list-style-type: none"> • The shape of river valleys changes as rivers flow downstream • River processes • Distinctive fluvial landforms result from erosion processes • Deposition landforms • Factors affecting flood risk • Different management strategies can be used to protect rivers from flooding • Hard engineering • Soft engineering • Case study: Boscastle <p><u>Challenge</u></p> <ul style="list-style-type: none"> • Link landforms to specific processes in the upper, middle and lower course • Link flooding processes and management to weather events and land use <p><u>Support</u></p> <ul style="list-style-type: none"> • Support to sequence the formation of river landforms • State factors affecting flooding <p>Refer to success criteria on topic trackers for detailed expectations/challenge/support for each</p>

	lesson.
Assessment opportunities	One STAR sheet for an extended piece of writing. This will start with the command word “explain”. (Note: Y11 contains 2 formal PPE examinations in geography)
Homework	Homework is once every 6 lessons in geography in year 11. This equates to once every 2 weeks. Homework tasks are recorded on Show My Homework and can be a range of tasks, from quizzes to research and more extended writing.
Vocabulary	Thalweg Upper, middle, lower course Ox-bow lake Hydrograph Impermeable Flood plain zoning

Term	Spring 1
Topics Covered	The Challenge of Resource Management
Expectations Challenge and Support	<p><u>Expectations</u></p> <ul style="list-style-type: none"> • How does access to food, water and energy affect development? • Food: opportunities and challenges • Water: opportunities and challenges • Energy: opportunities and challenges • Where is water available and why are we using more of it? • What are the factors affecting water availability? • What are the impacts of water insecurity? • How can we increase water supply (local and large scale example) <p><u>Challenge</u></p> <ul style="list-style-type: none"> • Compare and contrast solutions to food, water and energy provision • Use place specific knowledge when explaining <p><u>Support</u></p> <ul style="list-style-type: none"> • Describe resource opportunities and challenges <p>Refer to success criteria on topic trackers for detailed expectations/challenge/support for each lesson.</p>
Assessment opportunities	<p>One STAR sheet for an extended piece of writing. This will start with the command word “explain”.</p> <p>(Note: Y11 contains 2 formal PPE examinations in geography)</p>
Homework	<p>Homework is once every 6 lessons in geography in year 11. This equates to once every 2 weeks. Homework tasks are recorded on Show My Homework and can be a range of tasks, from quizzes to research and more extended writing.</p>
Vocabulary	<p>Economic well-being Social well-being Malnutrition Water stress Food mile Agribusiness</p>

Term	Spring 2
Topics Covered	The Challenge of Resource Management (continued)
Expectations Challenge and Support	<p><u>Expectations</u></p> <ul style="list-style-type: none"> • How does access to food, water and energy affect development? • Food: opportunities and challenges • Water: opportunities and challenges • Energy: opportunities and challenges • Where is water available and why are we using more of it? • What are the factors affecting water availability? • What are the impacts of water insecurity? • How can we increase water supply (local and large scale example) <p><u>Challenge</u></p> <ul style="list-style-type: none"> • Compare and contrast solutions to food, water and energy provision • Use place specific knowledge when explaining <p><u>Support</u></p> <ul style="list-style-type: none"> • Describe resource opportunities and challenges

	Refer to success criteria on topic trackers for detailed expectations/challenge/support for each lesson.
Assessment opportunities	One STAR sheet for an extended piece of writing. This will start with the command word “explain”. (Note: Y11 contains 2 formal PPE examinations in geography)
Homework	Homework is once every 6 lessons in geography in year 11. This equates to once every 2 weeks. Homework tasks are recorded on Show My Homework and can be a range of tasks, from quizzes to research and more extended writing.
Vocabulary	Economic well-being Social well-being Malnutrition Water stress Food mile Agribusiness

Term	Summer 1
Topics Covered	Issue Evaluation - focus TBC at the end of March when AQA release the material
Expectations Challenge and Support	<p><u>Expectations</u></p> <ul style="list-style-type: none"> • Interpret geographical figures (maps, charts, graphs, tables, extended writing) • Apply geographical knowledge to figures • Justify a point of view with well-structured arguments <p><u>Challenge</u></p> <ul style="list-style-type: none"> • Link geographical figures to create stronger arguments <p><u>Support</u></p> <ul style="list-style-type: none"> • Extract key information from geographical figures <p>Refer to success criteria on topic trackers for detailed expectations/challenge/support for each lesson.</p>
Assessment opportunities	<p>One STAR sheet for an extended piece of writing. This will start with the command word “explain”.</p> <p>(Note: Y11 contains 2 formal PPE examinations in geography)</p>
Homework	<p>Homework is once every 6 lessons in geography in year 11. This equates to once every 2 weeks. Homework tasks are recorded on Show My Homework and can be a range of tasks, from quizzes to research and more extended writing.</p>
Vocabulary	TBC
