

Hayle Academy

19 March 2020

Dear Parents/Carers

Following yesterday's announcement by the Government that schools are to close from Friday 20th March for all but the most vulnerable and children of key workers, I will contact all parents later today with detailed information about what this will mean. I will also clarify if possible, the plans for Year 11 exams and qualifications as we now know that the May/June exams will not take place.

Please do not phone the school to request further details at this time. The Government's plans were not shared with schools in advance to the announcement in the House of Commons and we are only just learning the detail of the role they intend schools to take. Your patience and support is very much appreciated as we put the detailed planning behind the Government's bold statements.

Further information will be shared with all our families as soon as we are able to do so.

Yours faithfully

Mrs Jan Woodhouse
