

Google Meet – Student Expectations

Arrive on time in appropriate dress. Stay in the Meet until the end, look at the camera and avoid moving around or eating

Find a quiet but appropriate space and background - away from distractions like the TV, mobile phone, siblings or pets

Mute your microphone until you are called upon to speak by the teacher and then re-mute it

When you have something to contribute or a question, use the side chat feature

Don't forget to unmute your microphone when the teacher says that it is your turn to speak

When you contribute or use the chat feature, stay on topic at all times

Do not distract others and make sure that you use appropriate and respectful language at all times

Do not save, record, screenshot, share or post anything from the Meet and hang up at the end
