

# Hayle Academy

22<sup>nd</sup> March 2022

Dear Parent/ Carer,

## **RE: Year 11 revision support evening – Wednesday 30<sup>th</sup> March 2022**

We wish to invite you to attend an important Year 11 revision support evening for students and their parent/carer, which is taking place on **Wednesday 30<sup>th</sup> March from 5.30pm until 7pm.**

Feedback from parents and carers of Year 11 students through the parents' evening survey showed that many would like to have a further parents' evening to help to support their child's revision. Therefore, we have listened to this feedback and are very pleased to offer this additional support.

At this critical time, the evening will provide an invaluable opportunity for you to learn more about the school's plans to help to support your child in the final preparations for their summer examinations. Furthermore, a key focus will be on exploring effective revision strategies and providing the opportunity for your child to co-create a structured revision programme using the materials available.

The evening will take place in the main hall starting with an overview of key information before focused time spent on joint construction of your child's revision timetable. Heads of Faculty and Year 11 tutors will be on hand to support with any questions and subject specific queries.

The evening will include:

- Further information on the range of ways we continue to support your child, including our future plans for the curriculum, revision school and our after-school study support programme.
- Guidance around how to revise, exploring different approaches and what's proven to be effective.
- A personalised revision programme as a takeaway from the event that is broken down into sub-topics.
- Information about how we will be tailoring our approach to homework to support students.
- Information on how to use our online platforms, including GCSEPod, to support revision.
- Opportunities for you to ask questions and to seek any further support.

Please can you indicate your availability for the evening via a short Google sign-up form:

<https://forms.gle/9eDSFqnCbwaR5VfS7>

We would kindly ask that students are accompanied by one parent or carer. If a student is unable to be accompanied by a parent or carer, they are still encouraged to attend.

We look forward to seeing you at this highly beneficial revision support evening, so that we can continue to work together to help to ensure the best possible results for your child in the forthcoming GCSE exams.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

M Lock

Mrs M Lock  
Deputy Headteacher
