8th April 2022

Dear Parents/ Carers

Year 11 Easter Revision School

Following on from communication from Mr Horner earlier this week, I wish to confirm further details regarding the Easter Revision School provision.

Thank you for your support with the sign-up responses; the sign-up form is now closed. This has enabled us to review staffing levels in line with student numbers and places will be confirmed shortly.

Please find below an overview of the schedule for the fortnight:

The morning sessions will commence at 9.30am until 11.30am. The afternoon sessions will start at midday until 2pm. All of the sessions will be based in the Maths classrooms except for Music (Music Studio) and D and T (Room 20). Students will be able to access the toilets in the glass corridor and are advised to bring a drink with them.

If a student is booked into two sessions in one day, students are welcome to bring their lunch and supervision will remain in place in the Maths area.

If a student has booked a place and does not arrive, parents and carers will receive an email home from a senior leader to inform them for safeguarding purposes. Therefore, if circumstances do change and your child is no longer able to attend a session, please email the relevant member of staff using the email addresses listed below.

We anticipate that students will respond positively to the provision offered by their teachers and that the sessions will be both highly beneficial and successful. However, in the very unlikely event that a student does not meet our expectations in terms of their conduct, contact will be made home and parents will be asked to collect them. We expect that there should not be a need for this as all students will appreciate the additional support provided by their teachers with their revision. Unfortunately, we are unable to welcome students who turn up on the day without a booked place. This is due to the need to ensure sufficient staffing levels for student numbers on site. Therefore, if your child has not yet booked their place, but still wishes to do so, please email the relevant member

of staff who is leading the session from the list below. They will then contact you directly to confirm if there is a place available in advance of the session.

This information is also available via our website under the revision resources area: [Year 11 Curriculum - Hayle Academy](#).

Thank you for your continued support. If you have any further questions, please do contact us at the school. We look forward to supporting our students over Easter with their revision.
