The screenshot shows the 'GCSE RESULTS' page on the Cornwall College website. The page features a navigation bar at the top with links for Subjects, 16-18, Apprenticeships, University Courses, Adult, Leisure & Hobby, Business Training, Events, Support, and Information. A prominent orange banner reads 'GCSE RESULTS' with a call to action: 'Call for more information 0330 123 2523'. Below this are three buttons: 'Your options explained', 'Find a course', and 'More information'. A 'Top Tips' callout box is visible on the right. The main content area has a pink background and includes the heading 'Good luck to all students receiving GCSE results!' followed by a paragraph of text. A dropdown menu is open, showing the selected option 'I've got my results how do I enrol?' and two other options: 'I didn't get my expected results - how can you help?' and 'I don't know what to do or want to change my course - how can you help?'.
