

Whole School Curriculum Calendar 2023-24 **Autumn 1**

	Subject	Year 7	Year 8	Year 9	Year 10	Year 11
Autumn 1	English	Short Stories: Identity	Lord of the Flies	Short Stories: Structure	An Inspector Calls	Macbeth
	Maths	Sequences, Understanding & using algebraic notation, Equality & equivalence	Ratio & scale, Multiplicative change, Multiplying & dividing fractions	Straight line graphs, Forming & solving equations, Testing conjectures	Similarity, congruence and enlargement, Trigonometry	Gradients & lines, Non-linear graphs, Using graphs
	Science	Particles, Atoms, elements and compounds & Separation techniques	Reproduction, Periodic table, Speed & Inheritance	The Future is Green	NA	Quantitative chemistry, Organic Chemistry & Biology Tailored Curriculum
	Science (Triple)	NA	NA	NA	10S1, 10S3 & 10S4 - Energy changes, Chemical analysis, Rate and extent & Particle model of matter 10S2 - Chemical changes, Chemical analysis & Particle model of matter	Ecology, Using resources, Chemistry of the atmosphere & Organic chemistry
	History	Norman Conquest	Civil rights and the slave trade	WW2 and the Holocaust	Paper 1 Medicine EDEXCEL	American West EDEXCEL
	Geography	Essential Geography	Resources and Sustainability	The Challenge of Natural Hazards (tectonic hazards)	Living World	Coasts (Physical Landscape of UK)
	MFL	Qui suis-je? Introducing myself and greeting others.	Qui suis-je? Introducing myself and greeting others.	El Mundo del Trabajo. World of Work	Las vacaciones. Travel and Tourism	Mi gente. Family, friends and relationships
	Computer Science	Digital systems @ Hayle Academy - Strong passwords, SMHW, Files, Folders, File Extensions & Formatting Excel Skills	Algorithms (computational thinking, flowcharts)	Computer hardware	Boolean Logic - Truth tables & Logic Gates, data storage and algorithms	Network security, operating systems, utility software and ethics, legal and cultural impact.
	DT	Core Knowledge and Skills - Presentation Drawing	Core Knowledge and Skills - Ergonomics and Anthropometric Principles, Identify opportunities for inclusive Design, Prototype Creative Design Solutions	Technical Knowledge and Skills - The 6 r's and Upcycling, Designing using Different Design Styles, Mathematical Modeling & Iteration	Core Knowledge and Skills - CAD/CAM & Digital Presentation	Controlled Assessment - Design Ideas
	Food / Hosp & Catering	Knife skills – bridge and claw holds and safe handling "5 a Day" – Government guidelines for nutrition Knife skills: fruit salad "The Eatwell Guide" - Government guidelines for nutrition and key nutrients Use of hob: pasta sauce Safe use of hob and grill Use of grill: pizza toast	The creaming method: Dutch apple cake Cooking with eggs and pasta: Carbonara Egg production Shortcrust pastry: savoury products (sausage rolls – safe meat handling) Safe storage of food and cross contamination	Practical: Chilli con carne Practical: Vegetable curry Vegetarian diets – The Buddha bowl task How to prepare couscous Practical: Couscous salad Nutritional needs and planning a nutritionally balanced dish. Practical: Production of Buddha bowls	H+C environment, structure, job requirements, working conditions and job roles. Pastry practicals.	Nutrition
	Core PE	Netball and Rugby	Netball and Rugby	Netball and Rugby	Invasion Games and Table Tennis	Invasion League and Basketball
	Art	Mark Making experiments Tone, texture, line & pattern Van Gogh, line & landscape Local landscapes, line & media	Pop Art, typography/collage lettering	Artist analysis & 3D gargoyle modelling	Skills based workshop -Methods of recording and mind map exploration	Skills based workshop -Methods of recording
	Performing Arts	Introduction to Performing Arts	Slapstick	Popular Culture	Component 1: Acting Styles	Component 3 Assessment Preparation
	Music	I've Got Rhythm	Music Technology	The elements of Music	GCSE Introduction and AoS1: My Music	Component 2 Learning Aim B
	Global Values	RSE 1 What does a good relationship look like?	RSE1 What are the dangers of unhealthy relationships (physical and emotional)?	RE1 How does religion support equality and diversity?	LWW1 How do we achieve social cohesion?	LWW 1 CVs and Personal Statements, RE 2 Is life sacred?
	BTEC Health & SC	NA	NA	NA	Component 1: Human Lifespan Development	Component 3: Health and Wellbeing
BTEC T & T	NA	NA	NA	Component 1: Components of the Travel and Tourism Industry	Unit 1: Types of Tourism	
BTEC Sport	NA	NA	NA	Component 1: Taking part in Physical Activity	Unit 2: Practical Sport Rules and Regulations	

Whole School Curriculum Calendar 2023-24 **Autumn 2**

	Subject	Year 7	Year 8	Year 9	Year 10	Year 11
Autumn 2	English	A Christmas Carol - Dickens	WW1 Poetry	Of Mice and Men	An Inspector Calls & Unseen Poetry	Macbeth
	Maths	Place value & ordering integers & decimals, Fraction, decimal & percentage equivalence	Working in the cartesian plane, Collecting & representing data, Tables & Probability	Three dimensional shapes, Constructions & congruency	Equations & inequalities, Simultaneous equations	Expanding & factorising, Changing the Subject, Functions
	Science	Energy stores, Forces & Cells	Acids and Alkalis, Energy transfers & Variation	Out of this World & Process and Profit	NA	Tailored curriculum for paper 1 content
	Science (Triple)	NA	NA	NA	10S1, 10S3 & 10S4 - Atomic structure & Homeostasis 10S2 - Atomic structure & Rate and extent, Homeostasis	Atomic structure, Magnets and electromagnets & Space
	History	Medieval England (inc. black death and revolt)	Industrial revolution and Cornish mining	Cold War	Paper 1 Medicine Edexcel	American West
	Geography	Coasts (with OS Map Skills)	Me at 25	The Challenge of Natural Hazards (weather hazards)	Living World	Rivers (Physical Landscape of UK)
	MFL	La famille et les amis. Describing family and friends.	La famille et les amis. Describing family and friends.	El Mundo del Trabajo. World of Work	Las vacaciones. Travel and Tourism	De costumbre. Festivals, food
	Computer Science	Digital skills - emails	Scratch	Business IT Challenge	Algorithms and data types	Defensive design, testing, high and low level languages and the integrated development environment
	DT	Core Knowledge and Skills - Rendering Techniques, The iterative Process, Technical Knowledge and Skills - Wood Family and workshop Basics	Core Knowledge and Skills - Evaluate the success of the prototype, Structures & Biomimicry in Design, Geodesic mathematical modeling, Evaluation the success of the prototyping process	Technical Knowledge and Skills - Repeat Concept 'Cutting & Shaping Materials' & 'Measuring & Marking Out', Manufacturing Log & Evaluation	Core Knowledge and Skills - CAD/CAM & Digital Presentation, PPNEA	Controlled Assessment - Ideas Development, manufacture
	Food / Hosp & Catering	Knife skills – bridge and claw holds and safe handling "5 a Day" – Government guidelines for nutrition Knife skills: fruit salad "The Eatwell Guide" - Government guidelines for nutrition and key nutrients Use of hob: pasta sauce Safe use of hob and grill Use of grill: pizza toast	The creaming method: Dutch apple cake Cooking with eggs and pasta: Carbonara Egg production Shortcrust pastry: savoury products (sausage rolls – safe meat handling) Safe storage of food and cross contamination	Practical: Chilli con carne Practical: Vegetable curry Vegetarian diets – The Buddha bowl task How to prepare couscous Practical: Couscous salad Nutritional needs and planning a nutritionally balanced dish. Practical: Production of Buddha bowls	Operation of kitchen, front of house and customer requirements. Practicals: Veg prep, stir fry, bread	Menus
	Core PE	Rugby and Netball	Hockey and Football	Rugby and Hockey	Table Tennis and Invasion Games	Basketball, Fitness and Invasion Games
	Art	Relief composition	Observational drawings and pop portraits	3D masks: mindmap plan & designing	Skills based workshops - Analysing artwork and artist research	Mock exam, moodboard and drawings, prototype final piece
	Performing Arts	Pantomime	Silent Movies	Devising	Component 1: Professional Works	Component 3 Assessment Preparation
	Music	I've got Rhythm	Music Technology	Film Music	AoS5: Conventions of Pop	Component 2 Coursework
	Global Values	RE1 How could we and why should we reduce racism in our communities?	RE2 How does religion support equality and diversity?	LWW2 How do we treat others?	RE2 How should we respond to crime and punishment? (Thematic)	LWW3 CEIAG
	BTEC Health & SC	NA	NA	NA	Component 1: Human Lifespan Development	Component 3: Health and Wellbeing
BTEC T & T	NA	NA	NA	Component 1: Travel and Tourism Organisations and Destinations	Unit 1: Travel and Tourism Industries	
BTEC Sport	NA	NA	NA	Component 1: Equipment and Technology in Physical Activity	Unit 2: Practical Sport Skills and Tactics	

Whole School Curriculum Calendar 2023-24 *Spring 1*

	Subject	Year 7	Year 8	Year 9	Year 10	Year 11
Spring 1	English	Non-fiction: Malala	Shakespeare: The Tempest	Non-fiction: Media & Advertising	Language Paper 1: Dystopia	Language Paper 1: Exam skills & AIC revision
	Maths	Solving problems with addition & subtraction, Solving problems with multiplication & division, fractions and percentages of amounts	Brackets, equations & inequalities, Sequences, Indices	Numbers, Using percentages, Maths & money	Angles & bearings, Working with circles, Vectors	Multiplicative Reasoning, Geometric Reasoning, Algebraic Reasoning
	Science	Photosynthesis, Respiration & Acids and Alkalis	Chemical reactions, Waves & Photosynthesis	Process and profit continued & Material Science	NA	Tailored curriculum for paper 1 content
	Science (Triple)	NA	NA	NA	10S1 - Forces, Using resources & Chemistry of the atmosphere 10S2 - Homeostasis continued, Using resources & Chemistry of the atmosphere 10S3 & 10S4 - Forces, Using resources & Chemistry of the atmosphere	11S1 - Energy changes and tailored curriculum for chemistry paper 2 11S2 - Tailored curriculum for chemistry paper 2
	History	Tudors and the issue of religion	Suffrage	Cold War	Weimar and Nazi Germany	Elizabethan England
	Geography	Development gap	Me at 25	The Challenge of Natural Hazards (climate hazards)	The Changing Economic World (The Development Gap and Nigeria)	Fieldwork
	MFL	Autour de moi. The world around me.	Autour de moi. The world around me.	La salud y el ocio. Health and Leisure activities.	Intereses e influencias. Freetime activities, health and fitness, popular culture	Hacia un mundo mejor. Global. Issues/ Speaking prep
	Computer Science	E-safety	Hardware, Networks & Binary	Python Programming	Practical Programming Skills	Search and sorts, the CPU components, data representation and networks
	DT	Wood Family and workshop Basics, Manufacturing Log, Marking out and Removing Material, Marking out and Removing Material, Manufacturing Log	Explore Materials and their properties, Explore Materials and their properties Repeat Concept 'Measuring & Marking Out', 'Measuring & Marking Out', 'Cutting & Shaping Materials', Specialist Tools and Equipment	Core Knowledge and Skills - Orthographic Principles, Isometric Principles	PPNEA - Design and Development	Controlled Assessment - Manufacture
	Food / Hosp & Catering	Use of oven: scones (rubbing-in, binding, glazing and flavouring – sweet and savoury options) Healthy eating: the Eatwell guide – eating a balanced diet Food Safety and "The 4 C's" - Cleaning, Chilling, Cooking and Cross- Contamination Food hygiene & handling of raw meat: chicken fajitas Different methods of cooking Use of oven: fruit muffins (using a batter)	Use of oven: scones (rubbing-in, binding, glazing and flavouring – sweet and savoury options) Function of ingredients – eggs Cooking with meat: meat based Bolognese Working with meat/ meat safety; sources of meat; Vegetarian diet; Alternative diets. Bread dough: pizza The function of yeast and gluten in bread making Bread-making (artisan vs factory) and flour production	Practical: Cakes – fairy cakes, Victoria sponge. Food decoration and presentation techniques Different ingredients and how they behave during cooking: Eggs and different flours Practical: Burger Meal Nutrition and the Eatwell guide – dish analysis Customer requirements Different types of meat and nutritional content Handling and shaping of raw meat products Chilled dessert: Cheesecake using gelatinisation How gelatinisation works Making sauces Practical: Fruit coulis	Personal safety, food related causes of ill health, EHO. Practical: Steaming and poaching, roux sauce	Use techniques in preparation of commodities.
	Core PE	Football and Gymnastics	Fitness and OAA and Basketball	Fitness and Handball	Volleyball and Fitness Training	Alternative Activities, Fitness and Basketball
	Art	Abstract art appreciation Miro/kandinsky	Pop collage	3D Masks: modelling work	MNS - Research and mind map, MNS - local artist interpretations	Create Exam Moodboard / title page / mindmap, Artist Appreciation work
	Performing Arts	Tribal Dance	Fame	Street Dance	Component 1: Controlled Assessment	Component 3 Controlled Assessment
	Music	Piano Skills and Notation	Baroque and Classical Music	Film Music Composition Project	AoS3: Rhythms of the World	Component 3 Controlled Assessment
	Global Values	H&W 3 How do I maintain a healthy lifestyle?	H&W 3 How do I maintain positive physical health?	RSE3 What are the dangers of negative relationships? LWW4 CEIAG Which way now?	RE2 How should we respond to crime and punishment? H&W3 How do we keep ourselves and others safe?	RSE4 What is good sex? H&W5 What is the dark web?
BTEC Health & SC	NA	NA	NA	Component 1: Assessment preparation	Component 3: Health and Wellbeing	
BTEC T & T	NA	NA	NA	Component 1: Assessment preparation	Unit 1: Assessment Preparation	
BTEC Sport	NA	NA	NA	Component 1: Assessment preparation	Unit 2: Practical Sport Reviewing Performance	

Whole School Curriculum Calendar 2023-24 **Spring 2**

	Subject	Year 7	Year 8	Year 9	Year 10	Year 11
Spring 2	English	Greek Myths	Non-fiction: Activism	Shakespeare: Hamlet	Jekyll & Hyde	Language Paper 2 & Poetry
	Maths	Fractions and percentages of amounts, Four operations with directed number, Addition & subtraction of fractions	Fractions & percentages, Standard index form	Deduction, Rotation & translation, Pythagoras' Theorem	Ratios & fractions, Percentages & interest, Probability	Transforming and constructing, Listing and describing, Show that
	Science	Climate & Space	Earth & Electricity	Material science continued & Forensics	NA	Tailored curriculum for paper 2 content
	Science (Triple)	NA	NA	NA	10S1, 10S3 & 10S4 - Inheritance, variation and evolution 10S2 - Inheritance evolution and variation & Forces	Tailored curriculum for paper 1 content
	History	Tudors and the issue of religion	WW1 and Inter War Years	Migration to Britain	American West	Elizabethan England
	Geography	Climate change	Africa	Urban Issues and Challenges in Rio de Janeiro	The Changing Economic World (The Changing Economy of the UK)	Repeat concept: linking
	MFL	Chez moi. Home and technology.	Chez moi. Home and technology.	La salud y el ocio. Health and Leisure activities.	Mi insti. My school.	Speaking exam prep
	Computer Science	E-safety	Hardware, Networks & Binary	Python Programming	Memory and storage and the architecture of the CPU	Notworks, issues, algorithms and design, testing and IDEs
	DT	Technical Knowledge and Skills - Manufacturing Log, Shaping and Drilling, Surface Finishing and Evaluating	Technical Knowledge and Skills - Specialist Tools and Equipment, Repeat Concept 'Measuring & Marking Out', 'Cutting & Shaping Materials', 'Design Ideas'	Core Knowledge and Skills - Lego Blox & Orthographics, 3D CAD Practice	PPNEA - Design and Development, manufacture	Controlled Assessment - Manufacture, Testing and Evaluation
	Food / Hosp & Catering	Use of oven: scones (rubbing-in, binding, glazing and flavouring – sweet and savoury options) Healthy eating: the Eatwell guide – eating a balanced diet Food Safety and "The 4 C's" - Cleaning, Chilling, Cooking and Cross- Contamination Food hygiene & handling of raw meat: chicken fajitas Different methods of cooking Use of oven: fruit muffins (using a batter)	Use of oven: scones (rubbing-in, binding, glazing and flavouring – sweet and savoury options) Function of ingredients – eggs Cooking with meat: meat based Bolognese Working with meat/ meat safety; sources of meat; Vegetarian diet; Alternative diets. Bread dough: pizza The function of yeast and gluten in bread making Bread-making (artisan vs factory) and flour production	Practical: Cakes – fairy cakes, Victoria sponge. Food decoration and presentation techniques Different ingredients and how they behave during cooking: Eggs and different flours Practical: Burger Meal Nutrition and the Eatwell guide – dish analysis Customer requirements Different types of meat and nutritional content Handling and shaping of raw meat products Chilled dessert: Cheesecake using gelatinisation How gelatinisation works Making sauces Practical: Fruit coulis	Food safety legislation, food poisoning. Practical: Cakes and decoration techniques	Complete dishes using presentation techniques.
	Core PE	Gymnastics and Football	Basketball, Fitness and OAA	Handball and Fitness	Fitness Training and Volleyball	Fitness and Alternative Activities
	Art	Abstract mixed media	Pop collage	3D Masks: modelling work	MNS - Photography/editing, MNS - Research and moodboard	Personal developments and art exam
	Performing Arts	Circus	Duologues	Our Day Out	Component 2: Performance and Rehearsal	Component 3: Controlled Assessment
	Music	Piano Skills and Notation	Sea Shanties	Popular Music	AoS3: Rhythms of the World	Component 3: Controlled Assessment
	Global Values	"RE 4 What difference does it make to be an atheist or agnostic in Britain today", LWW5 CEIAG, Equality, Social Media	RE4 Should happiness be the purpose of life? (Thematic - Christians, Buddhists, non-religious worldviews)	RE5 Why is there suffering? Are there any good solutions?	H&W3 How do we keep ourselves and others safe?	RE6 Is human rights legislation effective? (Thematic), then Student Voice Curriculum
	BTEC Health & SC	NA	NA	NA	Component 1: Assessment Window	Component 3: Assessment Preparation
	BTEC T & T	NA	NA	NA	Component 1: Assessment Window	Unit 3: Customer Service
BTEC Sport	NA	NA	NA	Component 1: Assessment Window	Unit 5: Sports Performer in Action Responses to Exercise	

Whole School Curriculum Calendar 2023-24 **Summer 1**

	Subject	Year 7	Year 8	Year 9	Year 10	Year 11
Summer 1	English	Frankenstein	Sherlock Holmes	Power & Conflict Poetry	J&H & Paper 2: Crime & Punishment	J&H & Macbeth Revision
	Maths	Addition & subtraction of fractions, Constructing, measuring & using geometric notation, Developing geometric reasoning	Number sense, Angles in parallel lines & polygons, Area of trapezia & circles	Enlargement & similarity, Solving ratio & proportion problems, Rates	Collecting, representing & interpreting data, Non-calculator methods	Show that, Revision
	Science	Waves, Fuels, Human Reproduction	Respiration, Recycling & Static electricity & Magnetism	Forensics	NA	Tailored curriculum
	Science (Triple)	NA	NA	NA	10S1, 10S3 & 10S4 Magnets and electromagnets, Waves, Space 10S2 - Forces continued, Magnets and electromagnets, Waves & Space	Tailored curriculum
	History	Empires and explorers	WW1 and Interwar Years (VE day)	Medicine on the Western Front	American West	Structured revision and response curriculum
	Geography	Ecosystems	Africa (continued), Rivers and Glaciation (with OS Map Skills)	Megacities and Rio de Janeiro: A city in a NEE. Challenges and opportunities in the city.	The Physical Landscape of the UK: Coasts	Issue Evaluation (from a pre-release issue) and revision
	MFL	Mon quartier. My local area.	Mon quartier. My local area.	Mi barrio. Local area, the environment and getting around town.	Ciudades. Cities, culture and local area.	Examinations
	Computer Science	Careers & Internet Skills, Kody Programming	Web design including HTML	E- Safety including Ethical & Legal issues	Embedded systems, primary storage, secondary storage, network and topologies	Programming fundamentals and revision
	DT	Technical Knowledge and Skills - Surface Finishing and Evaluating, New and Emerging Technologies, CAD/CAM uses and benefits, Translating Sketches to CADs	Technical Knowledge and Skills - Repeat Concept 'Design Ideas', Translating Sketches to CADs, Mathematical Modeling & Iteration	Technical Knowledge and Skills - Explore Materials and their properties - Metals, Repeat Concept 'Design Ideas', Mathematical Modeling & Iteration	PPNEA - Manufacture PPNEA - Testing and Evaluation	Planned Mastery Lessons
	Food / Hosp & Catering	Meat and other sources of protein. Food hygiene & handling of raw meat: Chicken kebabs. Using local produce and reducing Carbon footprint. Using fruit in a cooked dessert: Fruit crumble.	Cooking with rice: Paella/ Risotto. Staple foods from around the world. Tray bake cake. Healthy cake design. Recipe research. Vegetable preparation: stir-fry Food hygiene and hazards.	Food related causes of ill health. Cakes – brownies. The Picnic product design task – nutritional analysis Production of pastry product idea. How to make bread. Bread rolls. The cookie challenge	Revision in preparation for the external exam. Practical: Cakes and meat prep	Revision in preparation for the external exam.
	Core PE	Striking and Fielding and Athletics	Cricket, Tennis and Athletics	Tennis and Cricket	Rounders and Tennis	Softball, Rounders and Tennis
	Art	Abstract clay modelling	Pop can structure	3D masks painting	MNS - observational drawing work, My natural surroundings - trial final outcomes	Supporting Portfolio Projects
	Performing Arts	Character	Blood Brothers	The Curious Incident	Component 2: Rehearsal and Performance	Component 3: Controlled Assessment
	Music	Atmospheric Music	Blues Improvisation	Hip Hop	AoS4: Film Music	Component 3: Controlled Assessment
	Global Values	LWW5 CEIAG, Equality, Social Media, RE 6 The Buddha	LWW5 Workplace skills, online safety	H&W 6 Is it safe?	RSE 6 Do I have healthy relationships?	Student voice curriculum
	BTEC Health & SC	NA	NA	NA	Component 2: Health and Social Care Services and Values	Final coursework refinements
	BTEC T & T	NA	NA	NA	Component 2: Customer Needs in Travel and Tourism	Unit 3: Controlled Assessment
BTEC Sport	NA	NA	NA	Component 2: Practical Sport	Unit 5: Sports Performer in Action Energy Systems	

Whole School Curriculum Calendar 2023-24 Summer 2

	Subject	Year 7	Year 8	Year 9	Year 10	Year 11
Summer 2	English	Cultural Poetry	My Sister Lives on the Mantelpiece	Power & Conflict Poetry	Crime & Punishment & Spoken Language	NA
	Maths	Developing geometric reasoning, Number sense, Sets & probability, Prime numbers & proof	Line symmetry & reflection, The data handling cycle, Measures of location	Probability, Algebraic representation, Revision (& Recovery)	Types of number & sequences, Indices & roots, Manipulating Expressions	NA
	Science	Plant reproduction & Ecology and interdependence	Energetics & Pressure	Into the wild	NA	NA
	Science (Triple)	NA	NA	NA	Tailored curriculum - Review Topics	NA
	History	Pendennis site visit	Levant site visit	Historic Environment- Medicine on the Western Front	Elizabethan England	NA
	Geography	Russia, then fieldwork	Rivers and Glaciation (with OS Map Skills) , then fieldwork	Urban Issues and Challenges in Bristol and sustainable living in Freiburg	Coasts	NA
	MFL	On y va! Holidays and leisure activities	On y va! Holidays and leisure activities	Mi barrio. Local area, the environment and getting around town.	A currar. Current and future employment	NA
	Computer Science	Kodu	Web design including HTML	Business IT Challenge	Wired & wireless networks, protocols & layers	NA
	DT	Technical Knowledge and Skills - Translating Sketches to CADs, Mathematical Modelling, Manufacturing using CAM, Manufacture Log & Evaluation	Technical Knowledge and Skills - Mathematical Modeling & Iteration, Manufacture using CAM, Manufacturing Log & Evaluation, Electronics Components	Technical Knowledge and Skills - Mathematical Modeling & Iteration, Manufacture using CAM, The Metal Casting Process, Manufacturing Log & Evaluation	Controlled Assessment - Investigation, Brief and Specification, Design Ideas	NA
	Food / Hosp & Catering	Different types of meat and other sources of protein Food hygiene & handling of raw meat: Chicken kebabs Using local produce (supporting local businesses and reducing Carbon footprint) Using fruit in a cooked dessert: Fruit crumble.	Cooking with rice: Paella/ Risotto Staple foods from around the world – rice & pasta Tray bake cake Healthy cake design. Recipe research. Vegetable preparation: stir-fry Food hygiene and hazards; 4 Cs of food hygiene. Food poisoning basics	Food related causes of ill health. Common types of food poisoning. Symptoms of food induced ill health Practical: Cakes – brownies (using a Bain Marie) The Picnic product design task – nutritional analysis Practical: Production of pastry product idea designed for a picnic How to make bread – the function of ingredients in bread Practical: Bread rolls Practical: The cookie challenge	Internally assessed tasks. Practical: Chilled dessert (Cheesecake) Meal planning and prep	NA
	Core PE	Striking and Fielding and Athletics	Cricket, Tennis and Athletics	Athletics	Rounders and Tennis	NA
	Art	Abstract clay: paint	Pop can - paint	3D Masks: Painting and final details	My natural surroundings - creating final piece, MNS-refining and reviewing final piece	NA
	Performing Arts	Matilda	Genres and Styles	Performance	Component 2: Rehearsal and Performance	NA
	Music	Atmospheric Music	Ukulele Skills	Performance Skills	AoS4: Film Music	NA
	Global Values	RE 6 Good, bad, right or wrong? How do I decide?	RE 6 How can people in Cornwall express the spiritual through the arts? (Religious and non-religious worldviews) Curriculum Kernewek	RE 7 How far does it make a difference if you believe in life after death?	RSE 6 Do I have healthy relationships?	NA
	BTEC Health & SC	NA	NA	NA	Component 2: Health and Social Care Services and Values	NA
BTEC T & T	NA	NA	NA	Component 2: Customer Needs in Travel and Tourism	NA	
BTEC Sport	NA	NA	NA	Component 2: Assessment Preparation	NA
