PENWITH COLLEGE OPEN DAY SATURDAY 4th NOVEMBER 10-1PM

Following on from our successful information evening last month we would like to invite you to our open day on Saturday 4th November 10am-1pm.

Unlike our last event, which was purely about information gathering, this event is more relaxed and is about making positive decisions. The whole site will be open for you to explore along with the help of the student ambassador team. Each lecturer will be in their usual subject room so that not only will you have more time to speak to them in more detail, but you will also have the opportunity to look at the first-class facilities in which your child can be taught.

In addition to choosing a course, students are also encouraged to take part in enrichment activities. Enrichment covers a vast array of activities from preparing for Oxbridge and the Medics Academy to eSports, Duke of Edinburgh Award or Extended Project Qualification (EPQ) as well as a broad range of competitive and non-competitive sports. Enrichment supports both physical and mental wellness as well as building resilience, making new connections, and learning new skills. Join the talk about enrichment at 10:45 or 12pm and come to the Enrichment Fair in the Zennor refectory and look for yourself.

Programme of Talks

10:15 and 11:30 Principals Talk
10:45 and 12pm Enrichment Talk
11.45 Apprenticeship Talk
11.45 Get into Teaching Talk

All of the support services will also be available for advice and guidance in careers, learning support, finance, transport and wellbeing.

If after touring the campus, you have decided on a course and enrichment option, our application station will be available for you to apply at the event if you wish.

If you have any queries about this event, please contact emmakelly@truro-penwith.ac.uk.

Best wishes and I look forward to seeing you.
