

# BROAD HORIZONS

SUMMER 2024

*We inspire students to dream big,  
to achieve more.*

NEW ACTIVITIES ADDED!

# Broad Horizons *Enrichment Curriculum*

## New Activities for Summer 2024

We are delighted to be able to share our Broad Horizons offer for Summer 2024 so that there are even more fabulous enrichment activities to take part in. All students will continue to participate in a 'collapsed timetable' opportunity every Thursday Week B, period 4 as part of the normal school day.

Students will get involved in exciting opportunities to develop health and wellbeing, develop new and exciting skills, and to volunteer and give something back to the community.

Whether it is golf or fitness, art or dance, forensics or community gardening, there really will be fantastic opportunities for everyone at the school.

...where will your journey take you?

**Develop  
Self**

**Will I need  
specialist  
equipment?**

No. Any technical equipment will be provided.

**Develop  
Community**

# Personal Development

## Develop Self

These activities are designed to help support personal development and wellbeing. They can lead to increased mental or physical fitness, and support employability skills such as teamwork and communication.

### Is there a cost?

Some activities may have a small cost but this will not be a barrier to participation.

## Develop Skill

### Develop Skill

This is an opportunity for students to develop a new skill that goes beyond a traditional school curriculum.

## Develop Community

At Hayle Academy we feel strongly about supporting our local and global communities. These activities enable students to play an active role in their community.

### How long will each activity last?

Each activity will last for 1 term (approximately 6 sessions). You will select a new activity each term.

**All students will complete an activity from each of the 3 sections over the course of the year.**

# The ARB

Our Broad Horizons curriculum aims to be inclusive to all and we have been delighted with how well all students have been able to participate and engage in these unique personal development opportunities.

Students who attend the ARB can select from any of the opportunities offered within this booklet for the Summer term.

Alternatively, ARB students have the unique opportunity to take part in 'Makaton' which is available to students who attend the ARB and a small group from the wider school.

If you have a child who will be attending the ARB and have any queries about Broad Horizons, please do speak to Miss. Thomson

Name	Staff	Rationale	Location	Notes
KS4 Fitness	NBI	We will be looking to improve our sporting performance through improvements to our components of fitness. We will cover a variety of methods of training using the fitness suite as well as the outdoor areas. We will also look at programme design, application of sets/ reps and exercise selection.	Room 22 & Fitness Suite	KS4 Students only
Around the World in 90 minutes	IHA	Immerse yourself in the culture, cuisine, sights and sounds of a different country each week then use your experiences to create a unique artwork.	Room 10	Open to all students
10x Challenge	DHU	Students have four weeks to research, create, plan and run their own business with a £1.00 pledge (provided by school). This is a highly interactive programme offering first-hand experience to enhance confidence and enterprising mindsets.	Room 44	Open to all students Involves teamwork
All-weather fitness bootcamp	MLE	Like the idea of getting fit but uninspired by a gym? This bootcamp will allow you to use nature's playground to support your fitness development. When it rains...it's time for muddy fitness!	Room 2 & Outside (all weathers)	All students with an enjoyment of the great outdoors
Personal Study	RRA	This option is provided for students who are preparing for GCSEs, have recently joined us and want to spend time going through any missed curriculum work, or have been out of school and want some time to catch-up. Students who want to use the time to get ahead of things and do some study on an area of research of their choosing may also apply for this option.	BTEC Room	Year 11 students, new students and students who have had long-term absence will be prioritised for places
Reading for Pleasure	MRI	How about curling up and immersing yourself in a fantastic read? As part of the Reading for Pleasure option, you will have the opportunity to read books from a range of different genres and enjoy the opportunity to read for the sheer enjoyment of it. Where possible, you will also be able to experience author talks and can experiment with writing your own novel or poem(s).	Library	
Just Dance	ASA	Develop your moves whilst getting fit! Just Dance is a motion-based dance video game for multiple players, with each game including a collection of classic and modern songs each with its own dance choreographies. Experiencing the fantastic world of dance fitness has never been so easy and fun!	Room 12	Open to all students

# Develop Skill

Name	Staff	Rationale	Location	Notes
Seasonal DT	DCO	During these sessions, students can develop their DT skills to create seasonal gifts and products. They will develop new DT skills that they can use both in school, and in the future.	Room 19 & 20	Open to all students.
Forensics	AFE	Can you solve the crime? Using scientific knowledge, students can immerse themselves into the world of CSI. Each session will involve various aspects of forensic skills and criminal law that will build you into the budding young forensic scientist.	Room 27	KS3 only (Years 7-9).
Digital Art	AFI	'Digital art' describes the use of technology in creative thinking and art making. Ranging across a wide variety of mediums, digital art spans from computers to the increased use of iPads. Students will experiment with different techniques to create digital artwork.	Room 45	Open to all students.
Beginners Swimming	THO/SJO	We are delighted to offer the opportunity for students to learn to swim. This option is for those students who are not yet able to swim 50m and will require parental consent to participate. A big part of early swimming lessons involves learning how to enjoy the water safely. This means understanding what to do if you get into trouble and how to call for help. This is also known as 'safe self-rescue'. These skills will be covered within the sessions, and a whole lot more!	Room 7, Outdoor and indoor pools (locations TBC)	Any student not able to swim 50m. May involve walking to the local pool.
Golf	NIR	A fantastic opportunity to develop your skills on the driving range. Each week consists of going to Hayle driving range and practising your golf with the opportunity to develop your length as well as accuracy. We hope that once we have developed our skills, we will then venture onto the short course for some match play. This is open to all abilities with some of our more advanced golfers giving coaching to others that are keen to start a new sport. Please note there is a £30.00 cost for this course.	Room 8 & Hayle Driving Range (transport provided)	Open to all students. £30.00 costs for this activity. All kit provided.
Touch Typing	EPK	The world is moving forward with rapid improvements in the latest technology. The importance of computer skills is at an all-time high. One skill to support this is touch typing. Touch typing opens up the door to many career opportunities. This, along with the numerous other benefits, makes it important to learn how to type. During this course, you will learn how to touch type through fun and interactive activities.	IT1	Open to all students.

# Develop Skill

The Great Hayle Sewing Bee	LSI	Just like the TV show, our amateur sewers take on challenges as they compete to be crowned Hayle's most sensational seamster and designers! Students taking this option do not need any sewing experience and will have the opportunity to up-cycle clothing and furniture to reflect their personality and taste. Have fun, create, GO!	Room 6	Open to all students.
Bushcraft Skills	LWE	Outdoor cooking, erecting tents, navigation and survival skills. This activity has everything you need to be the next 'Monarch of the Jungle' or 'Campsite Champ'. Learning these important life skills in a fun and interactive way.	Room 1 & Outside/Offsite	KS3 only (Years 7-9). Will involve walking and teamwork.
ARB Makaton	NTH	Makaton is a unique language programme that uses symbols, signs and speech to enable people to communicate. Being able to communicate is one of the most important skills we need in life. With Makaton, signs are used, with speech, in spoken word order. This helps provide extra clues about what someone is saying. Using signs can help people who have no speech or whose speech is unclear. Using symbols can help people who have limited speech and those who cannot, or prefer not to sign. This is a fantastic life skill for everyone to learn!	ARB	Open to ARB students and limited numbers of mainstream students who would also like to participate.
Lego Masters	MEV	Are you a designer, architect, builder or destroyer?! Develop your Lego talents by completing a series of team challenges and creating innovative designs and solutions whilst building friendships and self-esteem.	Towards 1	Open to all students.

Develop Skill

Please choose carefully, changes will not be made once options have been allocated.

# Develop Community

Name	Staff	Rationale	Location	Notes
Community Gardening	KBA	Take part in an amazing opportunity to give back to our local community. Students have already begun to transform our community garden on Penpol Terrace and students who select this option will go there each session to support the work that is already well underway!	Room 17 & Offsite	Open to all students. Supervised walk to Penpol Terrace.
Community Kindness	ABL	Give something back to the local community. In this activity, you will work together to look at ways you can spread a little sunshine! Maybe write a letter to someone in a care home, make a little gift for someone who needs cheering up, brighten the environment with a bit of flower bombing. Whatever your random act of kindness may be, you are sure to make a difference to someone's life.	Room 44	Open to all students with an interest in community kindness.
Hayle Harbour Project	HEM	This new and exciting venture allows students to work first-hand with the Hayle Deputy Harbour Master. You will investigate the work that takes place in Hayle Harbour, look at the challenges faced and work together to create solutions. You will meet some of the Harbour users and find out what they do and top it all with a Sea Safari boat trip.	Room 13 & Hayle Harbour	Open to all students. Outdoor activities. Mini-bus to and from the harbour. Boat trip.
Press Gang	KOW	Calling all budding reporters, photographers and graphic designers! We need you to create the Summer Term Hayle Academy Newsletter. You will carry out interviews, write articles and develop your photography skills to put together a newsletter that can be sent out to parents/carers and the local community at the end of the summer term. You can include interviews with staff and students, report on key events, add a jokes and puzzles page and even look at events in the wider community.	Room 9	Open to all students.
Conservation Nation	JRO	By popular demand, we are pleased to offer the Conservation Nation eco-activity. You can make bug hotels, do beach cleans, work with local organisations and raise awareness of issues that you are passionate about in the local, national and international environment.	Room 29 and potential offsite visits (supervised walking)	Open to all students.

# Develop Community

Old Skool Team Games	DTA	In a world of tech, it is sometimes easy to overlook the skill of teamwork. In this activity, you will work together in teams to solve the most challenging of puzzles! How do we get the hula hoop from one end to another? What is the best technique for apple bobbing? And, how many bean bags can you put on your head and run 100m? There is a lot to be said for teamwork, laughter and old-school fun!	Room 3 & Outside	Open to Year 7 & 8 only
Year 11 Prom and Yearbook Committee	ZWI	This activity is for any Year 11 student wishing to contribute to the planning of the Year 11 Prom and Yearbook. Be prepared to discuss menu choices, DJ sets and of course, the clothes! Alongside this, help put together the contents for the Year 11 Yearbook to celebrate and recognise the legendary 2024 leavers.	IT2	Open to Year 11 students only (max 15).
Field to Fork	EHA	Are you interested in knowing where your food comes from? Do you enjoy the outdoors? This programme will be for you! During this programme students will look at creating an area within school where they can grow their own vegetables and fruits, as well as plant flowers with the view of nurturing their produce and creating a meal once all produce is ready to be picked/harvested. Throughout the different seasons, we aim to offer a number of farm walks which will allow students to see how food is processed on a larger scale before it reaches retail.	Room 28 & Outside/Offsite	Open to all students.
Community Art	ATR	Community Art this term will be working with Leach Pottery. Founded in 1920 by Bernard Leach and Shoji Hamada, the Leach Pottery, St Ives, is among the most respected and influential potteries in the world. Students will use different types of clay, experiment with different techniques and have their work fired at Leach Pottery. <a href="http://www.leachpottery.com">www.leachpottery.com</a>	Room 45	Open to all students.

# KS3 School Production

In a change to the current Broad Horizons programme, we are pleased that we have a significant number of students who will be performing...

## ***Shrek Jr*** ***The Musical***

Students have already selected this option and this will run for the whole year. Students taking part in Shrek DO NOT need to make another Broad Horizons selection for the Spring or Summer term.

Performances will take place in the summer term and details will follow nearer the time.

This option is for Year 7, 8 and 9 students only (September 2023).

For further information, please do speak to Miss. Rule.

# Additional Information

Broad Horizons will take place every Thursday Week B.  
For the Summer Term, this will be:

- 18th April
- 2nd, 16th May
- 6th, 20th June
- 4th July

Students will attend school in their *full school uniform or full school PE kit*. If specialist clothing is required, students will need to change into these during the lunch break if directed by their session leader. Activities will take place in all weathers so some waterproof clothing may be advisable for some activities!

Lunchtimes will be slightly adjusted to give the maximum time for each activity. All students will have their lunch between 12.50-13.30 with activities running from 13.30-15.05.

We will expect the usual high standards of behaviour from all students. Students will be rewarded during the sessions using the house point system. Any incidents of poor behaviour will be managed following the school behaviour protocols. Groups are not allocated according to friendship to encourage students to work with a range of people across different year groups.

Students must complete their options for the Summer Term by Monday 4th March. This can be done online at: <https://forms.gle/9y4WsSQhBDWUjjoh9>

Students will be informed of their activity allocation as soon as possible.

We aim for all students to be able to do either their first or second choice activity.
