

Hayle Academy

15th May 2024

Y11 Leavers Assembly

Dear Parent/Carer,

I am writing to inform you of a change to the date of the Y11 leaver's assembly and additional details. The change of date is due to the exam board moving the date of the Hospitality and Catering exam to the 20th June.

Therefore, we would like to warmly invite Y11 into school on **Thursday 20th June** for a celebratory leaver's assembly. Timings and details are below:

11.45 Y11 welcomed onto site to the hall for shirt signing

12.00 Leavers assembly with form tutors and other staff

12.30 Guard of honour: all of Hayle Academy's staff and students will celebrate the class of 2024 by lining their walk out of school. Parents and carers are welcome to join.

Those who have their hospitality and catering exam in the morning of the 20th June are welcome to stay on site in the library (supervised) before celebrations start at 11.45.

It is with great pleasure and sense of pride that the school **invites parents and carers to join us to mark this special moment – as part of our Guard of Honour** - with our students, who have been such a credit to our school and its community. If you would like to take part, please do position yourself between the main gates and the car park green gates (the area outside the front of the school), lining the pavement for approximately 12.25pm.

It is at this time that students will be able to leave the site. Unfortunately, earlier school bus services are not available on that day. Therefore, if you wish for your child to access the school bus at 15.05pm, they are expected to remain in the library, which will be supervised, until the end of the school day.

We will then look forward to celebrating further with students at their **prom on Friday 28th June** at Tregenna Castle. If you have any further questions about the prom, please do contact Mr Williams ZWilliams@hayle.tpacademytrust.org.

For clarity, students are remaining in school full time until Wednesday 12th June.

- On **Thursday 13th June** students will only attend for music and DT revision. Those who do not study DT or music can study from home on this day. A supervised study room is available to those who wish to work in school on this day.

- **All students are expected in school on Friday 14th June** for Geography and Physics exams
- From **17th June onwards, students attend school for their exams and leavers assembly only.**

Thank you for your continued support. On behalf of all staff, we continue to wish our students every success with their examinations; we are very proud of them.

Warm regards,

Rebecca Leech
Assistant Headteacher
