

Hayle Academy

September 2024

Dear Parent / Carer,

We would like to remind all parents/carers of our comprehensive Global Values curriculum which is taught to all students and covers the following areas:

- Citizenship
- Careers
- Health & Wellbeing
- Living in the Wider World
- Relationships and Sexual Education
- Religious Education

These topics have been planned around the PSHE Association programme of study, DfE Statutory Guidance, and the Cornwall Locally Agreed Syllabus.

All topics are covered in a suitable age related manner and where appropriate, some content might also be delivered by external support agencies such as the police, YZUP or medical professionals. Topics which are covered are outlined for each year group on the attached document and are available on the school website.

You are able to access the school policies related to PSHE, RE and RSE via the school website. These outline how the individual areas are delivered at St Ives School, and the legal framework surrounding them.

These can be accessed here:

- <https://www.hayleacademy.net/school-policies/>

If you have any queries about the topics studied, the content of the lessons, or the resources used please do not hesitate to contact me via email: rwilson@hayle.tpacademytrust.org.

Thank you for your support.

Yours sincerely,

Rebs Wilson

Miss R Wilson
