Contribute to School Development

Kindness, Respect, Positivity, Resilience

HOW CAN I MAKE THE MOST OF MY TIME AT HAYLE ACADEMY?

Hayle Xtra

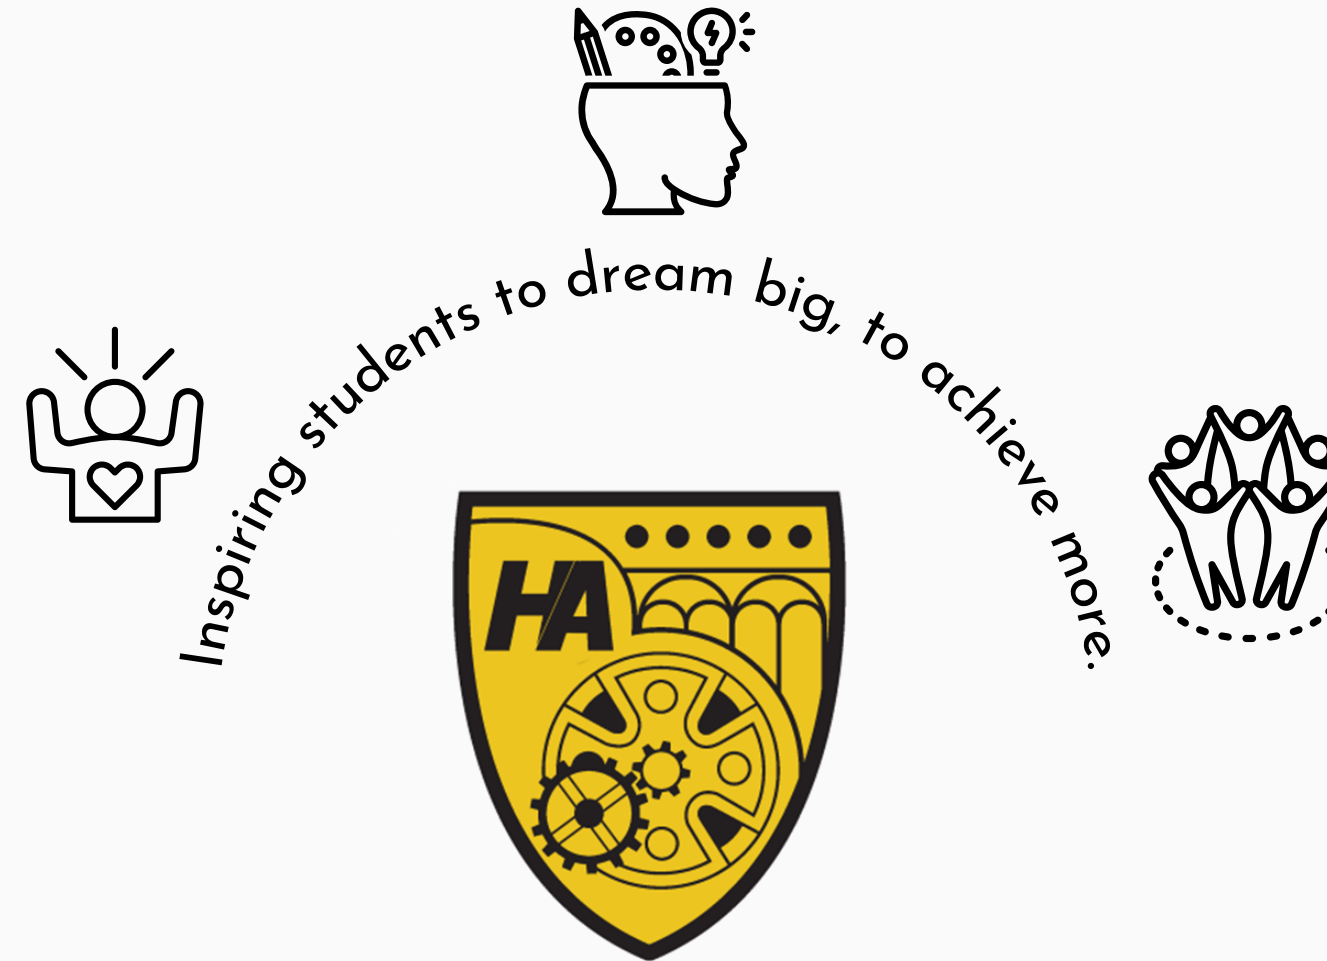

Our extensive programme of after school clubs and activities to help students to develop their interests and skills. There's something for everyone, from sports to school productions to coding, cookery, art and many more.

Tutorial and Assembly Programme

Focus on our Hayle House Values of Kindness, Respect, Positivity and Resilience within the assembly and tutor programme, as well as daily tutor reading opportunities.

Global Values

A weekly Lesson where you cover RE, RSE, Health and Wellbeing and Living in the Wider World.

Peripatetic Music Lessons

Select from a variety of instrumental lessons that take place weekly with external music teachers, in addition to your timetabled music lessons.

Broad Horizons

Our personal development programme that takes place on a Thursday Week A from 1:45 - 3:15pm. Students are able to get involved in exciting opportunities that develop health and wellbeing, develop new skills and give something back to the community.

Trips and Visits

Experience the wider world and learn outside of the classroom through our wide variety of trips and visits. From international trips to Italy, Paris and Iceland, to more local theatre visits. The world awaits!

Kindness, Respect, Positivity, Resilience

Hayle Edge Personal Development Awards

Celebrating all of the remarkable achievements and actions that our students make every day. Students receive, Bronze, Silver or Gold Awards for each of our house values as they move through KS3 and complete different activities along their learning journeys.
