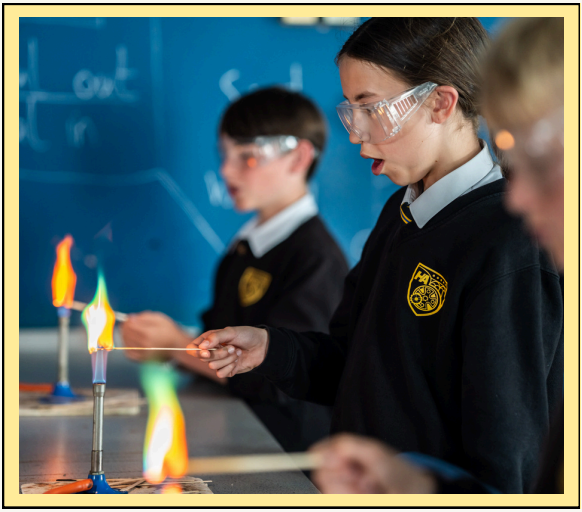
HAYLE XTRA

AUTUMN 2026



Useful Information

- Activities end at 4pm unless otherwise stated.
- The programme will start from Monday 14th September 2026.
- It is the responsibility of parents and carers to arrange transport home for their child.
- A "Study Bus" is available to transport students home and this is booked through reception each morning (Excluding Wednesdays.)
- The library is also available from 3:15 - 4:00pm each evening and is fully staffed to support students in their reading.

At Hayle Academy, we promote the extensive personal development of our students and provide a range of opportunities so that they have access to a wide, rich set of experiences. This forms our Hayle 365 Curriculum as a set of 'entitlements' that all students can expect to benefit from during their time at Hayle Academy. Students are encouraged to develop their talents and interests beyond the classroom door and to nurture, develop and stretch their talents and interests. Our provision for personal development extends beyond the academic, vocational or technical and provides for students' broader development. We support students to be confident, resilient and independent, and to develop strength of character.

The opportunities offered prepare students for life in modern Britain, developing their understanding of the fundamental British values of democracy, the rule of law, individual liberty, tolerance and respect. We promote equality and diversity in all that we do and encourage students to be responsible, respectful, active citizens who contribute positively to society.
